Why Bilendi

From Sample Only to Full Service

We provide data, technology and services which allow you to collect and interpret insights: translation, scripting, sampling, quality checks, coding, data processing, as well as an online qualitative platform.

We ensure the quality of your data

- Constant recruitment of double opt-in panellists
- Project based quality checks, and systematic cleansing of our panels
- Our platforms are hosted in the European Union on our own secure servers

Dedicated and flexible local teams

To ensure our quality measures are met on all projects, our clients will work with a dedicated operations team based in one of our 13 offices across Europe.

A TRUSTED PARTNER

Bilendi adheres to the quality standards defined by the market research industry and is a member of the major European professional associations.

Our quality management fulfills the strict criteria of the international ISO standards 20252:2019.
